POSTMASTER GENERAL GRESHAM has gone to Indiana. He will return to Wash-ington by next Monday week.

MR. JOSEPH H. BLACKFAN, Superintendent of the Foreign Mail service of the Post Office Department, is dead. JACOB A. KOHNER, dealer in hosiery and

notions, at Cincinnati, has assigned. As sets, \$25,000; liabilities, \$35,000. ALL the English journals express pleas-

ure at the election of Mr. Lowell to be Rector of St. Andrews' University. HORRIBLE stories of Russian cruelties are circulated, and it is believed there will

soon be another out-break of Nihilist deviltry. THE President has appointed Lawrence

Weldon, of Illinois, to succeed J. C. Ban-croft Davis as an Associate Justice of the United States Court of Claims. THE health of the Princess of Wales is thought to be permanently impaired. Her deafness has greatly increased of late, so much so that it is impossible to converse with her in public assemblages.

JUDGE NELSON, of Boston, has signed a warrant for the return to Vermont of J. Henry Myers, captain of "Birds of the United Brotherhood," an organized gang

of boy counterfeiters. R. J. Duggan, a prominent lawyer of Vermillon, Ont., was tried Saturday on a charge of assaulting the Salvation Army. The case was dismissed. There is great indignation against the Salvation Army

owing to the prosecution. THE masons have stopped work on the Washington Monument, leaving the shaft for the winter at a height of 410 feet. At this elevation it is the loftiest artificial structure on the continent, and, with few exceptions, in the world.

THE President has granted an unconditional pardon to Sergeant Mason, now confined in the Albany Penitentiary for attempting the life of Guiteau, the assassin of President Garfield. The pardon was at once mailed to Albany, N. Y.

No definite news has been yet received of the lost propeller Manistee. The tugs searching for bodies of the crew report no success. A stepladder chopped on the side and sawed on the other was found adrift three miles off Ontonagon.

OWEN F. PLUNKETT, a New York eigar packer employed by his brother, James Plunkett, was shot and instantly killed at the latter's cigar manufactory by John J. Sullivan another cigar packer. There is no known cause for the murder and it was entirely unprovoked.

THE forthcoming suit of John Wilde, colored, of Pittsburg, for \$15,000 against three ministers of Reformed Presbyterian Church, has been announced, Wilde claiming to have been damaged to the extent named by the declaration that he was a

WM. BRILL, aged fifty, a South Side shoe dealer, committed suicide in Cleve-He threw a rope over a rafter, dropped on his knees and strangled to death. He leaves a wife and eight children. He was financially embarrassed and drank hard

CHARLES STERN, aged fifteen, while tak-ing a sample trunk from the basement to the second story on the elevator at the Manufacturing Company's establishment, Cincinnati, was caught between the elevator and the wall and fatally

THE total receipts of Mr. Irving's New York season, which closed Saturday night, as furnished by the manager of the Star Theatre, are as follows: First week, \$15 777; second week, \$18,714; third week, \$18,880; fourth week, \$22,321. Total \$75,687.

England has met die worth sixty million dollars. He would walk a mile to save a penny, and was exceedingly pompous and prosy. Col. Lloyd Lindsay, who married his daughter, was very unpopular. Mrs. Lindsay is now richer than the Queen and very parsimoni-

ABOUT fifteen members of Congress Democratic and Republican, have arrived at Washington, among the latter ex-Speaker Keifer. He says he knows of no organized opposition to him among Republicans and thinks he will have little opposition in caucus for the complimentary mination for Speaker.

An Infamous Business.

PHILADELPHIA, Pa., Nov. 25.—Jeremiah F. Wilson, a photographer, has been ar-rested in connection with the case of John and Joseph Suder, brothers, charged with manufacturing improper photographs. Wilson is said to be the man who shipped the 5,000 lewd pictures to Camden. He was given a hearing before Magistrate Ladner, when Charles Clark, agent of the Suders for the sale of photographs, testified that he had seen Joseph Suder and Wilson together in the gallery, and knew that they were taking photographs, but was unable to say who was performing the work. Wilson says he never had a photographic plate of an objectionable picture in his place, and that the photographs he sent to Camden belonged to Potts. He was held in \$1,500 bail for trial.

A Band Leader in Trouble. NEW HAVEN, Nov. 25 .- Fred Guilford, the leader of the Second Regiment Band, and Henry Greatorex, a member, have been written to by the Prosecuting Attorney to pay over money alleged to be-long to the band or be prosecuted. The band received a check of \$73.48 from the Seamstress Company of Bridgeport for playing the day of the fire parade. Guil-ford took his pay, \$8, out of it, though the members of the band were to get but \$4 per day. Only \$16 is left to pay half the band members. Guilford has not played with the band or attended any of its re-

Terrible Calamity.

hearsals since the Bridgepost parade.

GENEVA, Nov. 24.—The steamers Cygnie and Rhone, plying on Lake Leman, came into collision during a violent storm yesterday. The latter vessel sank almost im mediately, carrying down with her thirty persons. Only the captain and six passengers were saved. The Cygnie sustained but slight injury.

Burglar's Pal Arrested.

Nashvilla, Tenn., Nov. 25.—Benjamin F. Tharton, a saddler, was arrested here and identified as a "pal" of a burglar killed at New Providence Saturday. Thanton's wife recognized the dead burglar as Wm. Taylor, a cousin of Andy Taylor, hanged at London Friday.

No News of the War. WASHINGTON, No. 25.—The Chinese Legation here have received no information as to the breaking out of hostilities

BAD, BAD, BAD BLOOD.

Some blood is bad because it is poor and weak. Some is bad because it contains impurities. Some men have such bad blood that the wonder is it does not poison the mosquitoes who come to bite them. The rich red color of good blood is owing to the iron which is present. Blood which has not enough iron in it is always unsatisfactory. The persons in whose veins it circulates cannot be said to

enjoy good health. The efforts of expert chemists to produce a preparation of iron which can be assimilated with the blood have resulted in that perfect preparation which is an important part of Brown's Iron Bitters. It is the only one which freely enters into the blood. It is the only one which accomplishes the desired good.

Weak, poor, thin blood may be made rich and strong, and impure blood may be purified by the use of that Great Iron Medicine, Brown's Iron Bitters.

ECNEW & ALLEN.
